It is my pleasure to officially invite the members of the China Education Association for International Exchange (CEAIE) listed on the following page to participate in the 2018 AICAD Symposium, *Artist/Designer/Citizen*, being held November 7-9, 2018 at School of the Art Institute of Chicago (Chicago, IL, USA). This three-day symposium will be an excellent opportunity for members of the Chinese higher education field to meet with and learn from leaders in art and design education in North America.

We look forward to the opportunity for an international exchange of ideas on the importance of art and design in civic systems provided by the participation of so many CEAIE members in this symposium.

Sincerely,

Deborah Obalil
President & Executive Director
